

# Eastern Idaho Paint Horse Club Newsletter

April 15, 2010

## Message from the President

Spring may finally be here and the Eastern Idaho Paint Horse Club board of directors has been working hard getting arenas booked, schedules rearranged and I think we finally have it done! If you have checked the website before April 15th, the schedule that was posted has CHANGED. Please note the new dates and locations posted now and included with this newsletter. A big thank you goes out to Kris Burke for the extra work she puts into our website with photos and all the detailed touches she adds!

Your board of directors has voted to change a few things for the upcoming show season. Those changes are:

- All of our shows will begin at 9:00 a.m. with registration beginning at 8:00 a.m.
- **BIG CHANGE: STALLIONS ARE FIRST ON ALL THE SHOWBILLS!** We will begin our shows with stallions, geldings, then mares and showmanship will follow. This will allow the showmanship patterns to be posted longer and hopefully encourage more exhibitors to enter showmanship with a little more time to practice their patterns.
- We will be counting all of the open shows towards year end awards. This includes the Hairy Horse Show May 8 and the Appaloosa Show June 19.
- We are bringing back the OPEN HIGH POINT awards. Solid bred breeding stock horses are eligible for high point open awards. See inside for rules/details.
- We are adding another EIPHC sponsored Open Show. There will be open futurities at this open show July 31st with added money! See inside for rules/details.
- Mary Isbell volunteered to be in charge of permanent numbers this year. The numbers have to be 200 and up. Please contact her if you're interested in a permanent number for the show season. See inside for details.
- The first EIPHC show is set for May 22 at Broken Bit Arena in Idaho Falls. I encourage everyone to read the 2010 rules carefully and get set for another great show season. Our club is comprised of a great group of individuals who make showing and competition a wonderful experience for everyone! Best of luck to all and see you in the show ring!

Leslie Watkins  
2010 EIPHC President
